

**MA Consortium for Innovative Education Assessment**  
**Technology & Communications Subcommittee**

The charges of the Technology & Communications subcommittee are:

- Oversee the roll-out of the MCIEA webpage on CCE's website and the creation of a new MCIEA website ( we already have [www.mciea.org](http://www.mciea.org)).
- Determine needs and purposes for an LMS, and then select a future LMS for MCIEA and oversee its roll-out
- Approve all communications and other public relations materials being released
